Pokémon do not move in computer games However, in my comics, they move and fill every corner
The most important thing to me is how to make each and every Pokémon attractive and vivid. I will be happiest if, after reading my comics, fans of Pokémon will love Pokémon even more and those who do not know about Pokémon will become new fans

Profile of Author
A Sagittarian born on 27 November in Ehime Prefecture He made his debut at *Shonen Sunday* Magazine with comic "New Year Christmas" Other masterpiece include "Nightingale" (published by Shogakukan)

Red's adventure to become the ultimate Pokémon trainer has finally reached the middle stage. First, he meets the mysterious girl Blue. Then he encounters powerful Pokémon one after another and even get to know the plot of the Team Rocket. So, how can you miss all the excitement and dramatic twists of the adventure!?
